PRE-LAUNCH BRIEF 3

dated February 14 2016

DevonCommunity.org is a Community Enterprise supported by Vitalinput.com

The organisation will have similar statutes as those defined @ [this page](#)

Our Aim

' DevonCommunity.org is a Community Enterprise supported by Vitalinput.com. It's Fun Living in Devon and we do everything we can to reinforce this idea via Online Community Web presence, Radio, Education and helping Charities. '

Activities

Through Online e-Commerce, Radio Station and Schools we will promote DevonCommunity.org to become a household name in the Devon region.

Businesses will be able to promote themselves via DevonCommunity by becoming radio programme sponsors and also by inclusion in an Online Directory. All sponsorships will donate 10% of their subscription to associated Charities.

There will be a Classified Ads section with 100% of funds donated to associated Charities.

Our associated Charity partners will be able to promote themselves through the DevonCommunity network absolutely for free.

Schools will benefit from free PBL (project based learning) and STEM qualified teachers, who will inspire students to be involved in all aspects of the project. Amongst many other exciting activities, students will get to organise and present radio shows, DJ, manage the schedule and the technical aspects.

The Radio Station will be Online but later also on radio frequencies (MW & SW).

Airtime is likely to be 14hrs daily, from 8am to 10pm. Tests have already been completed. Playlist will not be limited musically, also too, there will be great emphasis on local talent with opportunities to record new music.

*Next Brief : How members of the public can get involved in DevonCommunity.
